

Medical & Laboratory Plumbing Installation

Code-Compliant. OSHA-Ready. Inspection-Approved.

Emergency Plumbing provides specialized plumbing installation for healthcare, dental, and laboratory facilities across North and Northwest suburbs in Illinois.

We understand that medical environments require strict compliance with plumbing code, safety standards, and inspection requirements.

We Install:

- Emergency eyewash stations
- Combination eyewash & safety showers
- Dental vacuum and suction systems
- Dental sterilization sink stations
- Medical-grade sinks & hands-free faucets
- Backflow prevention systems
- Laboratory sinks & acid waste piping
- Floor drains & trench drains
- Water filtration & RO systems for labs
- Compressed air & specialty water connections

Why Medical Facilities Choose Us:

Illinois licensed & insured
Experience with inspections & code compliance
Proper installation for OSHA & ANSI standards
Detailed documentation available upon request
Clean, professional work environment

We work with contractors, office managers, and facility owners to ensure plumbing systems are installed correctly the first time.
